PLEASE NOTE:

Your electric cooperative reserves the right to approve, deny or select the appropriate incentive. Prior approval from your electric co-op is required for electric resistance incentives.

To qualify, the home in which the equipment is installed must be occupied year-round.

To receive an incentive from your cooperative, homeowners must provide AHRI (Air conditioning, Heating and Refrigeration Institute) validation for all SEER ratings. This can be obtained from the installing heating and cooling dealer. No incentive will be awarded based on SEER rating listed on the HVAC dealer bid specifications, promotional material of dealer, manufacturer or any other source than AHRI.

Homeowners must complete a request form and provide proof of purchase (invoice or receipt) to receive any 2019 incentive.

Deadline to apply for 2019 Rebate Program is Dec. 15, 2019
